

Axe Valley Runners

England Athletics membership application.

The governing body of endurance running in the country is England Athletics (EA), to which the club is affiliated. We are also affiliated to the Association of Running Clubs (ARC) for the purposes of insuring our events.

Most races charge an additional £2 for unaffiliated runners but the two bodies differ in exactly what that means. For ARC events (all of ours and many others in the area) all members of a club affiliated to either body (so all AVR's) are affiliated, but for EA events only those who **ALSO AFFILIATE INDIVIDUALLY TO EA** are. The individual EA membership gives you the discounted fee; you normally have to give your licence number to prove your entitlement.

It also is a requirement if you wish to target England Masters or individual or team England Road Championship events. Some track and field competitions will expect EA individual affiliation. The number of affiliated athletes determines the number of club places AVR is entitled to in the London Marathon.

The EA membership year runs from April 1st until March 31st.

The club needs to submit your details to England Athletics so please complete the form below. (Yes, it's duplicating what's on the AVR membership form but this makes it much easier to keep track of who's affiliated to EA.) You do not have to give them your address if you don't want to - leave it blank if you want us to register the club's contact address instead.

The cost of EA individual affiliation for 2020-21 is £16.

General Data Protection Regulation note: We will provide England Athletics with your personal data which they will use to enable access to an online portal for you (called myAthletics). England Athletics will contact you to invite you to sign into and update your MyAthletics portal (which, amongst other things, allows you to set and amend your privacy settings). If you have any questions about the continuing privacy

of your personal data when it is shared with England Athletics, please contact dataprotection@englandathletics.org.
